

BOOKING PROCESS

YOU'VE CHOSEN US!

We are thrilled to be a part of your day! From here, we need your official service count or package type to create your contract and book any additional stylists for your date.

CONTRACT INFO

To complete your contract we need your official service count, start/end times, and location you'll need us to arrive. This information helps us get you an accurate quote and book enough stylists. We send our contracts via email. To return it - copy and paste it into a new email, fill in as needed, and send back when you're ready!

BOOKING FEE+ RETAINER

A \$100 retainer and a \$75 booking fee are due at time of contract return. The retainer **does** come off your balance while the booking fee **does not**. The \$175 can be made through Venmo only. A link to pay is on our website for convenience!

YOU'RE BOOKED!

When contract is returned along with the retainer and booking fee paid - you're officially on our books! We will be sure to let you know we received everything and your date is blocked off for you.

BOOKING A TRIAL

Trials are optional, but highly encouraged! These are booked as a separate appointment and not included in your event day pricing. We recommend scheduling within three months of your wedding date - but can be done at any time.

TRIALS

Trials are located at our artists location unless otherwise discussed beforehand. While we do give you zipcode for where the trial is, we don't release the address until 72 hours before in a detailed appointment confirmation via email.

WEDDING WEEK

Week of the wedding, we will reach out to you via email once more to make sure we have all location details, full payments in, timing, and service counts correct so that your day is stress free.

WEDDING DAY

Our team shows up at the scheduled time with great lighting, great attitudes, and are ready to get you ready for the day! Thank you for trusting us with such an important event. We appreciate you!
